Add to that the presence of a pair of killer original songs that were ready-made singles, 'El Paso' and 'Big Iron,' and a third, 'The Master's Call,' that was startlingly personal, and the results are well-nigh irresistible.. During an interview in October 1981, Robbins offered an explanation behind the album's title, "What is a gunfighter ballad? You see, that's not country-and-western.. That's cowboy music, or western music" (Nash 446) Indeed, Gunfighter Ballads and Trail Songs consists of cowboy music, both original tales and folk legends. [New Hindi Movie Song Video](#)
